

HIGHER EDUCATION BUILT FOR YOUR LIFE

WGU was designed from the ground up to meet the needs of busy adults like you. The result? An innovative, affordable, and accredited university that makes it easier to earn the credentials you need for the career you want.

Lavon S., M.S. Curriculum and Instruction

COMPETENCY-BASED EDUCATION

WGU offers a wide variety of bachelor's, master's, and certificate programs across the business, technology, education, healthcare, and nursing fields.

Each program is developed with input from industry experts specifically for our unique online-learning platform. Progress is measured by proficiency. You can even rely on your existing knowledge to move through courses more quickly.

LOW, FLAT-RATE TUITION

Tuition varies by program and is charged per six-month term. Terms begin the first of any month. You can take as many courses as you are able each term at no additional cost.

Undergraduate program tuition starts at **\$3,725** per term.

Graduate tuition starts at **\$4,040** per term.

All required program materials are covered by a flat \$200 resource fee paid each term. Visit wgu.edu to view all available programs and their accompanying costs.

THE WGU DIFFERENCE

We're dedicated to providing our students with all the tools they need to be successful in their educational journey and beyond. With WGU, you get:

Unparalleled flexibility

With no set log-in times, you can complete online coursework, turn in assignments, and take tests whenever is best for you.

Affordable tuition

Want to avoid student debt? Pay one low, flat rate per term and take as many courses as you're able.

Accelerated progress

Advance through most courses as quickly as you prove your proficiency. The faster you progress, the more time and money you can save.

One-on-one support

A dedicated Program Mentor will guide you through your entire WGU experience, helping you set goals, stay on track, and navigate the ins and outs of your program.

Career relevance

Every WGU program is developed with input from industry experts, so you can be confident you're gaining the most relevant knowledge and skills that today's employers value.

WHAT OUR GRADS ARE SAYING

"WGU is great . . . You prove what you know, and you have support. I can't say enough good things about WGU."

—Anny J., BSN

"I love the format of how WGU does education . . . I love the model of proficiency-based learning."

—Justin H.,
MBA and MSML

"I would enroll . . . just to go back, because I know the proven track record that WGU has. I know the impact it's made on my life."

—Jeanette M.,
B.S. Information
Technology
