

Home-Delivered Meal Volunteers

Drivers and servers are needed to deliver nutritious meals and friendly conversation to up to 12 clients during the lunch hour. Volunteers are needed Monday - Friday at various locations in Erie and Niagara counties, especially in the City of Buffalo.

Adopt-a-Route

Adopt-a-Route is our home-delivered meal's group and business volunteer program. This is an easy and efficient way for companies and groups to give back the community.

Companion Calls

This program has volunteers make phone calls to our home-delivered meal clients to check in on their well-being and make friendly conversation with those who may be feeling lonely or isolated.

Garden Volunteers

Volunteers are needed to help tend our onsite community garden and maintain flowerbeds at each of our office locations. No experience is necessary, a FeedMore WNY staff member will show you exactly what to do.

Angel Card Program

Schools, students, or anyone who likes arts and crafts can create handmade crafts and holiday cards for our home-bound community members who receive our meal services.

Special Events

Volunteers are needed for a variety of events that FeedMore WNY hosts year-round. Tasks range based on the event but can include setting up, collecting donations and selling tickets.

Meal Packaging

Volunteers are needed to help make boxes and pack individual frozen meals for our home delivered meal clients and congregate clients.

Warehouse Volunteers

Warehouse volunteers make it possible for us to get the work done by sorting and packing donated food items to be distributed to community members. It's easy, fun and both individuals and groups are welcome.

Office Volunteers

Volunteers are needed to assist us in answering calls at our central office, as well as other office tasks such as filing and stuffing envelopes.

Food Pharmacy

This program has volunteers assist with packing personalized bags of food for clients, keeping track of inventory, and help with general pantry responsibilities.
